

INK JET PRINTING BANKNOTE BANDING MACHINE YL-300PB

SPECIFICATION

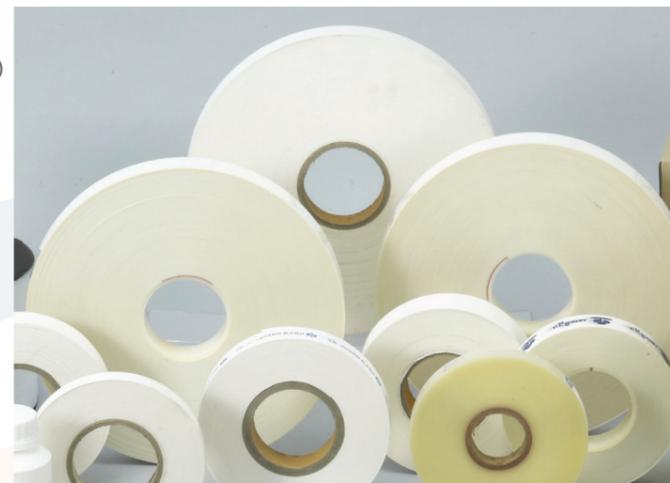

Model	YL-200	YL-200B
Speed	21cycle/min	
Tension	8kg	
Power supply	220~230V, 50/60Hz	
Product size	320(W) X 210(D) X 240(H) mm	Machine : 320(W) X 210(D) X 240(H) mm Extra Banding Box : 320(W) X 210(D) X 710(H) mm
Product weight	17kg	Machine : 17kg Extra Banding Box : 11kg

SPECIAL FEATURE

- CE certified
- Compact machine for banding 100bills
- Patented mechanism for band feeding
- Heat-sealing system
- Automatic temperature control
- Tension and banding position adjustable
- Very powerful tension
- AUTO/MANUAL operations
- Uses 20mm, 30mm, 40mm paper band(choose the band size)
- Machine accepts only one sized band
- No odor, no harmful substances in banding

CONSUMABLES

	YL-200	YL-200B
Width	20, 30, 40mm	30, 40mm
Length	150m	500m
Color	Paper : White / Film : Transparent
